

FEEDING OUR STUDENTS AND FAMILIES

Meeting Your Goal

Congratulations on meeting your goal! What do you do now?

1. The **Haitian Recipe Challenge** runs to Jan 7 2023, to allow for those last minute gifts. Consider increasing your fundraising goal, as many people make their end of year gift right around December 31.
2. Share your success! Tell your supporters you've met your goal, and remind those that haven't yet donated there's still time to help even more children and families in Haiti.
3. Choose your recipe, gather your ingredients, and pull out your sabotages if you've been sabotaged!
4. Make your recipe – have fun! Invite some of your supporters to join you. Put on your sabotages. Take photos of your progress along the way while making your recipe.
5. Share your photos/videos with us. Email them to: info@haitiinmyheart.ca. Need help sending them to us? Let us know and we'll walk you through how to send larger files through email or online services.
