

FEEDING OUR STUDENTS AND FAMILIES

Challenge Information

What is the Haitian Recipe Challenge?

The **Haitian Recipe Challenge** is our friend to friend fundraising initiative held throughout the Holiday Season to raise funds to end malnutrition in Haiti. Funds raised go toward our school feeding program, **Meals for Minds**. We serve 66,000 daily lunches every school year to 300 students and 25+ Haitian staff. Providing a daily lunch to staff and students at school means elderly relatives and siblings not yet in school will eat a meal that day, too.

You choose your fundraising goal (we suggest a minimum \$200 goal as inflation and food price increases have doubled the cost from \$100 to be able to provide a daily meal for 1 student for the school year). When you meet that goal, you make a provided Haitian recipe, taking photos as “evidence” of having met the Challenge!

When and where does the Challenge take place?

The **Haitian Recipe Challenge** launches on **Giving Tuesday** and runs until the first week of January. You choose the fundraising goal. The Challenge takes place within your own community of friends, family, neighbours and co-workers. These people will help you meet your fundraising goal!

What is the Haitian Recipe Challenge?

First, you'll need to sign up on the website – registration is free and open to anyone. Wherever you live, whatever your cooking/baking skill, you choose the feeding goal and one of our Haitian recipes! Keep track of your progress toward your fundraising goal on your personal dashboard.

How do I sign up?

It's pretty simple. Sign up for free and get ready to raise funds and cook for the health of kids in Haiti!
